PRIVACY PROTECTION CIRCULAR 2018

Object: personal information protection circular

The society Consulting Sport Management LTD (below named CSM) located in London – 10 Philpot Ln – United Kingdom, represented by CEO and Founder Massimiliano Catasca

Informs

- That all the personal information are picked up by CSM directly from the UCI official website or transmitted by the TEAM to CSM and inserted only in the platform CSM Sport Service database
- That CSM can't contact every single person (Rider or Staff of the TEAM) and so can't sign an agreement with each person involved and, because of this, CSM can't communicate to them a possible violation of personal data
- That the database of the CSM Sport Service platform include personal information about Riders and Staff in order to organize cycling races, included in the UCI calendar.

Therefore

- CSM nominated as a DPO (Data Protection Officer) Massimiliano Catasca, that can be contacted at this email address info@csmsport.uk
- According to communicate a privacy violation, both the parts will inform each other within 36 (thirty-six) hours from the event, sending an email to CSM (info@csmsport.uk) or to the TEAM.
- The communication must contain this information:
 - ✓ The reasons of the violation
 - ✓ Who is interested in the violation
 - ✓ The contact of a person that can give more information
 - ✓ Operation that can be done to solve the problem
- This document will be available inside the Platform CSM Sport Service

Data divulgation

Data divulgation is permitted according to consent the normal execution of working activities. Personal information will be communicated only to people indicated by UCI or used for promoting events (except for sensible data)

The general regulation about Data Protection n. 2016/679, also known as GDPR, is an European Regulation concerning the Treatment of Personal Data and Privacy therefore CSM is not required to apply it.
